

# The Leisure Link

A unique community based program promoting wellness, independence, friendships and fun.

## Summer 2025

### Just a few notes & reminders...

- FYI: Lisa will be on vacation from June 19th through July 7th. Lynn will be covering the following programs in my absence: Tuesday, June 24th & July 1st EB Programs and Thursday, June 26th & July 3rd Garden Club Programs.
- Most of our programs in this book will occur outside. Please take the time to apply sunscreen or bug spray prior to programs (as needed) and bring and/or wear appropriate weather based attire (hats, wind breaker, rain coat). I also encourage everyone to bring a bottle of water to each program to ensure proper hydration during our hot and steamy days of Summer!
- Just a friendly reminder to be timely in drop-offs & pick-ups for all programs. Please also be mindful if your plans have changed for attending a program. A quick call, text or email would be greatly appreciated prior to the program to notify me of this change so I am not held in a waiting pattern.
- Back by popular demand... Over 20 people attended our April event and a great time was had by all! Lets make this one even bigger with up to a \$50.00 value of pottery choice, snacks & drinks and more importantly, hanging out with friends in a super cool pottery studio!
