Winter 2025/2026

And our new agency name is...

IMPACT
INSPIRING MEANINGFUL PATHWAYS ACROSS CT

- ♦ On October 16th at MARC's Annual Meeting & 70th year celebration, our new agency name was revealed! We couldn't be happier with our new name and tagline. We are in a slow rollout as there are many hoops to jump through to make this change permanent but we expect that once 2026 is welcomed in, we will see a bigger "IMPACT" with our name.

All registration checks should continue to be made out to "MARC Recreation" until further notice.

- ♦ Once again, we have officially entered into cold and flu season, with an underlying threat of Covid. If you have any of the following symptoms : fever, runny nose, cough, sore throat, upset stomach, diarrhea...please make a thoughtful choice to stay home and recuperate before returning to programs. Lisa reserves the right to limit participation if these symptoms are overwhelming prior to a program.

Best wishes for a Happy & Healthy Holiday Season

~Lisa

Registration:

Due to the popularity of many programs, it is advised to register early. Most programs are community inclusive and are not conducive to large groups.

*Payment received reserves a slot for that program. Please complete and return the registration form along with your payment.
Both must be received by MARC in order to participate in any programs.*

Fees:

Payments for programs are due no later than the registration deadline.

Program Cancellations:

MARC reserves the right to cancel programs due to insufficient registration or inclement weather. There will be no refunds for any program which is canceled due to inclement weather.

Participant Eligibility:

All recreation programs are open to people with disabilities. Depending on individual needs, a chaperone may be required at the request of MARC Recreation.

Transportation:

For most recreation programs, transportation will be provided to and from a designated meeting place. However, door-to-door transportation may be available for select programs but only within the Middletown area. Due to increases in fuel prices, door-to-door transportation will now cost \$4.00 for a one-way transport.
